Announcements:

- Please complete any missing assessment reports as soon as possible.
 - Completed annually for degrees and certificates. Complete if you are aware one is missing.
- Fully-completed, department-approved course change proposals for Fall 2025 are due January 21. New course proposals are due February 17.
- Thank you to everyone working on Guide and Lumen edits for Fall 2025 Guide.
- Kathy-bringing some regulations forward at next meeting. Mainly when an incomplete lapses to an F. Campus bringing a new policy forward in March, which Academic affairs agrees with. With the move of NEEP to ME through EM, has thrown EP majors so they don't take enough credits within their program to meet requirements. This is being corrected.

Meeting adjourned at 2:02
