

Academic Planning Council Agenda
Wednesday, May 15, 2019
1:30 – 3:00 PM
3609 Engineering Hall

1:30 – 1:35 pm	Announcements Approval of April APC minutes April APCRC minutes attached	R. Radwin
1:35 – 2:00 pm	Safety Update	J. Decker
2:00 – 2:15 pm	Electrical Engineering Program Review	M. Arnold
2:15 – 2:35 pm	Managing Undergraduate Enrollment Growth	J. Blanchard
2:35 – 3:00 pm	Professor of Research/Professor of Teaching Titles	All

APCRC Minutes

April 4, 2019

11:00 a.m.

3609 Engineering Hall

Present: Dan Klingenberg, John Puccinelli, Doug Wiegmann, Dane Morgan, Franklin Miller, Chris Choi, Susan Ottman, David Anderson, Greg Harrington, Jenny Binzley, Dante Fratta, Wendy Crone, Rachel Jones, Manuela Romero, Laura Grossenbacher

Absent: Jake Blanchard (*ex officio*)

1. Announcements

- a. Course change proposals for Spring 2020 - last Fall UCC meeting for these is September 27, which makes the September 5 APCRC meeting our deadline. Proposals complete and through subject approver to Sara **by Tuesday, September 3 at 9 a.m.**
- b. March 22 UCC meeting was canceled. Next UCC meeting is April 12. Last UCC meeting for new course proposals for Fall Guide publication is April 26.
- c. Rachel Jones, joining us today, is the new Assistant Dean in COE. She will be working with students in crisis and working on wellness initiatives.
- d. Physics requisite amnesty was not approved - Requisites will not be enforced for 201 and 202 as previously hoped - They will put through course proposals. - Most of their courses don't impact undergraduates. Changes should take effect Spring 2020

2. Review and approve [minutes from March meeting](#)

- a. Note: course changes deadline is **Sept 27 UCC meeting**, not October
- b. [Form to update subject approvers](#)

3. Requisite Amnesty Update

4. Computer Sciences Course Changes, New Courses and Program Proposals

- a. See [document in Box](#) and prior email from Engineering Academic Planner
- b. Proposals were discussed, and departments will comment in Lumen
- c. Invite Mike Swift and Bret Larget to next meeting
- d. Data Science program - may create opportunities for students to take on additional major

5. Course Enrollment Data Project

- a. Very brief overview of learning analytics landscape (Sara)
- b. Sample PDFs - Course Enrollment data project was discussed and feedback will be provided

6. Course Proposals

- a. [Box Folder](#)
- b. MEDICINE/INTEREGR - deactivation - approved
- c. E M A 210 - rolled back to department by request
- d. INTEREGR 941 - approved
- e. CIV ENGR 291 - approved

MEDICINE/ INTEREGR	650	Women and Leadership in Medicine, Science & Engineering (deactivation)	Andrea Poehling	https://next-guide.wisc.edu/courseadmin/?key=7619
INTEREGR	941	Collaborative Capstone II	Michelle Kwasny	https://next-guide.wisc.edu/courseadmin/?key=12616
E M A	210	Commercial Instrument Flight I	Christopher Johnson	https://next-guide.wisc.edu/courseadmin/?key=12808

CIV ENGR	291	Problem Solving Using Computer Tools	Kelvin Santiago	https://next-guide.wisc.edu/courseadmin/?key=1625
----------	-----	---	--------------------	---

7. DARS Substitutions

- a. [Box Folder](#)
- b. BME
- c. GLE
- d. EP
- e. ISYE
- f. TE
- g. MSE

Next meeting:

Thursday, May 2, 2019

11:00 a.m.

3609 Engineering Hall
