(APCRC November minutes attached)

APCRC Announcements

- Departments can edit non-governed content in Guide through December 19. Helpful FAQ: <https://kb.wisc.edu/grad/95262>. Contact Sara Hagen ([planner@engr.wisc.edu](mailto:planner@engr.wisc.edu)) for grad program or capstone questions and Megan Paulson ([mlpaulson@wisc.edu](mailto:mlpaulson@wisc.edu)) for undergraduate program questions.
- Edits requiring a Lumen proposal (admissions deadlines, requirements, handbook links, etc.) need to be to at least the departmental approver step in Lumen by the end of February. See <https://apcrc.engr.wisc.edu/programs/update-program/> for details.
- FYI: Department administrators have been asked to coordinate the review and editing of departmental websites to reduce or eliminate duplication with Guide by Jan 31. The Guide is the official source of program requirements. Whenever possible, avoid needing to update information in multiple locations.

1:35 – 1:40 pm      New accelerated program in Engineering Mechanics, MS      C. Bronkhorst
