APCRC Announcements:

- Fully completed course proposals for Spring 2021 are due August 27. Please contact Sara Hagen at planner@engr.wisc.edu when beginning a proposal.
- If you are considering creating new programs for Fall 2021, Summer 2022, or Fall 2022, please contact Sara Hagen.
- Thank you for all of the contributions to Guide and Lumen Programs updates for Fall. The Fall 2020 Guide is scheduled to publish on June 1.
- New course proposal and program proposal dataviz (internal use) is live in Tableau
 - <https://dataviz.wisc.edu/#/views/LumenTools/CourseProposals>
 - Filter on EGR for all proposals relevant to Engineering in any way
 - Or filter on cross-listed department, cross-listed subject, or interested subject to find proposals that may be of interest to your department
 - Or type your netID at the bottom to see proposals that may be waiting for you
 - See also the tab for Program Proposals
