APCRC Announcements:

- GRE requirement changes to graduate programs - any proposals are due by September 14 (with departmental approval completed) in Lumen to be published mid-October in the Spring 2023 Guide. Questions? Ask Sara Hagen.
- Fully completed course changes and new courses for Spring 2023 are due August 22 - Due to timing we have a little flexibility on departmental approval. Please contact Sara Hagen to get started on any proposals.
- Data Requests: <https://intranet.engineering.wisc.edu/>
- APIR will soon request their usual 6-month status update on program reviews, plus any low-producing program forms. Thank you for your timely responses to emails from Sara and Peggy! See campus Program Review Tracker: https://go.wisc.edu/program_review_tracker.
- APCRC minutes are posted at <https://apcrc.engr.wisc.edu/meetings/>
