**APCRC Announcements:**

- APCRC minutes are posted at <https://apcrc.engr.wisc.edu/meetings>.
- Preview Days for Guide begin April 24. Please work with your departmental editors to proofread the preview site and check that all links are working properly. Any changes that would go through Lumen have a very quick turnaround. Fall 2023 Guide is scheduled to publish June 1.
- The likely deadline for spring course changes is the September APCRC meeting. Fully-completed, department-approved proposals are due by August 28. Allow extra time for cross-listed courses. Please contact Sara Hagen when beginning work on a course or program proposal.
