College of Engineering

APCRC Announcements:

- APCRC minutes are posted at <https://apcrc.engr.wisc.edu>
- Fully-completed, department-approved course proposals for the September meeting are due Monday, August 26 - this is likely to be the deadline for Spring 2024 course changes
- Thank you to everyone in your departments/offices who reviewed Guide pages during Preview Days. Fall 2023 Guide is scheduled for publication on June 1. Corresponding updates to the CoE website will also be made on or around June 1.
- Updates for Spring Guide are typically due beginning of September. Allowable updates include graduate admissions deadlines, GRE requirements, and grad program Policies.
- Thinking about new courses, programs, or centers? Contact Sara Hagen early in the process.
